Planning Conference – March 31

Scout in Charge: SPL, Adult in Charge: Mr. Avery

Bring your ideas to our planning conference on **Saturday, March 31** (exact time TBA but in late afternoon or early evening), and the location is Faith Lutheran Church. Each patrol has to start working now on at least five good ideas for events for the **calendar year September 2012 - August 2013.** This includes what **Out of Council Summer Camp** we are going to attend in June or July 2013. All events should be scouting related and are allowed to be fun. Scouts can think about big events like going to Miramar or White Water Rafting or Santa Cruz along with smaller events such as local campouts. We need to have balance among events that are higher in price and lower in price, balance among events that are best done at different times of the year, and balance among skill levels and interests of all the scouts. Scouts who come prepared with information on costs and details of their events will more likely get their fellow scouts on board. Come and have a say in what activities the Troop will have next year. See you there!

Model Airplane Contest – March 31

Scout in Charge – Bryce Fong, Adult in Charge: TBA

Model Airplane Contest will be on Sat, March 31 - 11:00 a.m. - 2:30 p.m. at Oakland Aviation Museum at the Oakland Airport. Bryce will be looking for volunteers for the 3rd Annual Model Airplane contest to work on the F4U Corsair. This event is sponsored by the American Legion, the Chartered Organization for Troop 726, and has been won by Troop 726 the first two years.

Earth day – April 28

Scout in Charge: Ben Eckman, Adult in Charge: Mr. Andrews, Mr. Ling

We will be cleaning up Independent hillside on **April 28th.** We'll need various equipment and tools such as rakes, shovels and gloves. Permission slips and more detail to follow.

Scout Master Minute

By Phil Avery, Troop 726 Scout Master

What is a Merit Badge? What is a Rank Advancement? What is an award? Are these simply embroidered pieces of cloth or an 8 ½ x 11 certificate or are they something different? Patches can be misplaced and ink jet printed awards will fade in the sunlight, but the experiences and knowledge can never be taken away from you. For the rest of your life you can remember the 20 mile hike or standing on top of Half Dome. You can know that you learned how to wire an outlet or cook outdoors or tie a knot that will not loosen. In short, much more than the physical symbol of the award, Merit Badges and Rank Advancements are the experiences and the knowledge required to earn such.

You are the sum total of all the experiences in your life. Do you want that sum total to mostly include endless video games and mindless Family Guy reruns or do you want that sum total overflowing with everything you learn in the classes that challenge you the most along with playing outside and the music you learn to play and the skills you learn and the relationships you keep with your family and friends? You will never be the same age you are today or have the same set of circumstances. Lamenting your current condition and pining for the day when you will have a car, for the day you will be in High School, or for the day you will be in college only serves to rob yourself of the riches you should be enjoying on this day.

This is your time to learn. Read your Scout Handbook and put the instructions into practice. Take the Merit Badge classes in and out of Summer Camp and learn the MB inside and out by reading the book in advance and preparing for the MB instruction. This is your time to lead. Suggest the game you want to play at Troop Meeting and be the person who Communicates, Organizes, and Plans it if that is what it takes. Remember, this is your time to succeed.

Snowboard/Skiing Day – Dodge Ridge

By Scout in Charge: Raymond Akagi, Photo by Mr. Siu

We skied/snowboarded At Dodge Ridge Ski Resort on Feb 12. It was a blast. We had an amazing turn out this year. we had some snow. Not as much as previous years but still it was fun. We had multiple new scouts who found out that skiing and snowboarding are not that easy. And I would like to thank all of the adults, Mr. Pinzon, Mr. Maloof, Mr. Siu, and Mrs. Schultz who went on this trip. This couldn't have happened without them and I am very grateful that they stepped up and had fun in the snow.

American Legion Crab Feed was on Sat, Feb 18. Zack, Kyle, Mitch, Matthew, Keani, and some other people (I don't remember exactly) went to the Moose Lodge on Rutledge Rd. in Castro Valley. We all had a grand time serving food. The American Legion is our Chartered Organization.

On Saturday, Feb 25, 20 of our scouts attended the Wa Sung Community Service Club Crab Feed event in which we gave our service to the San Leandro Community at the San Leandro Boys and Girls Club. Our duty was to service dinner to the guests. The night was a big success.

Military Museum

By Scout in Charge: Jason Zhao

On Feb 4, 12 of Troop 726's scouts went to MVTF (Military Vehicle Technology Foundation). It was slow drive there and back. We toured 4 sheds of military vehicles. It was a good tour and we got to hold RPGs and rocket launchers, and went into some vehicles. And everyone learned exciting facts of the vehicles and their history. All in all, everyone had a fun time.

Klondike Derby

By Scout in Charge: Ben Andrews

Troop 726! Bryce Fong and Ben Andrews would like to graciously thank all the scouts and adults who attended this event for making it a fantastic last Klondike Derby for the two of us! The troop had a great time bringing many of the newer scouts out to one of the best annual outings we have. Playing in the snow has never been better! Most of our time was spent building snow shelters or waging snow-ball wars against other troops. We concluded the trip with a delicious meal at our favorite restaurant up north, the Sierra Grill. The scouts had a great time, should definitely all attend next year!

Friends of Scouting By Phyllis Lozano

Each year the council office requests that we present to our troop families the Friends of Scouting Campaign. This year, like in past years, we presented it at our annual Red and Green dinner. Each family was given a pledge card; if you turned yours in last week, THANK YOU, if you haven't please review the information and carefully consider a contribution.

As we always say, we don't know your financial position, but any contribution makes a difference and is deeply appreciated. Be it \$1.00 or \$1000.00, it all helps. It is important that everyone from our Troop give something to show his or her support of Scouting.

You can return your pledge card to me or send your donation directly to the council office. Please mark it with Troop 726 so we get the credit. If we meet our council-set goal we will receive 15% off our summer camp fees.

Our time with the troop is coming to a close as our 18th birthdays approach quickly over the horizon. Bobby will age out in April, and Ben in May while the other scouts get to enjoy a couple more months. Many of our last events have occurred such as Klondike, Summer Camp, and several other of our spontaneous troop events. Graduation, summer and start of our college freshman year are almost here!

A Scout is **Friendly**.

A Scout is a friend to all. He is a brother to other Scouts.

During the month of March we will be welcoming new scouts to our troop. Some of these new scouts will be crossing over from a Cub Scout Pack and some may be new to scouting. Please take the time to introduce yourself to our new scouts and get to know both the scout and his family. In the April Newsletter, we will introduce them officially, but until then when you see someone new at our meetings, please welcome them with an open scouting spirit.

New members -- welcome to Boy Scouts and your new Troop. We're excited to have you join and foremost thank you for selecting Troop 726 as your Troop home.
